Butterfly Branch Greenway

Behind Northside Harvest Park (near VCOM Carolinas) Greenway connects to a Butterfly Creek that cultivates a fun, positive space for individuals of all ages to enjoy. The surrounding area includes walking and biking trails, educational kiosks, pavilions, and an outdoor learning laboratory for children to learn about the variety of native flora growing there.

Time outside has proven to soothe children, lowering their risk of hyperactivity and depression.

River Birch Trail

The trailhead starts off Sydnor Rd behind the old Spartanburg High School tennis courts. The trail has recently been paved and is a great place for families with strollers, bikes or wheelchairs.
